

Eaton Terrace, Belgravia

Price £23,000,000

We are privileged to offer you this beautifully redesigned internal floor area of 6,131 Sq Ft, stucco fronted family home with adjoining mews in one of Belgravia`s most peaceful locations. Words and pictures can not begin to describe how special this house is inside and out. No expense has been spared, the owners instructed world class architects and interior designers to turn their property into one of the best homes in Belgravia, of this size, available today.

The house can be controlled via an iPad from anywhere in the world, including the security system. It is also the ONLY house in Eaton Terrace to boast a swimming pool (with a swim jet) and with a jacuzzi and steam room. The property also benefits from comfort cooling, a large terrace, a private garage, a gym, a vault, a cinema room and a climate controlled wine cellar / humidor for the connoisseur.

For dinner parties there is a dumb waiter serving the formal dining room from the staff kitchen. One of our favourite areas in the house is the `internal garden` with it`s cascading waterfall, it will make you feel a thousand miles away from London the second you close the door behind you.

A viewing is a must, we require 24 hours notice please. We look forward to meeting you there.
